DISCREPANCIES.
RECOVER
THE \$.**

**EASY INSIGHTS.
SMARTER LENDING.**

KEY CAPABILITIES

- ★ Turn back the clock:**
Go back in time to the date of origination and re-create an accurate value
- ★ Protect Your Member:**
Reduces deficiency balance and minimizes consumer loss associated with dealer misrepresentations
- ★ Dealer Insight:**
Invaluable dealer management tool provides insight and helps identify problem dealers
- SIMPLE:**
We handle the identification and dealer billing, you just cash checks
- DEFENSIBLE:**
Reduces consumer liability, strengthens deficiency and protects your lending strategy
- LOW RISK:**
Tried and true process recognized as the industry's leading solution

The numbers speak for themselves: Lenders lose over \$1 billion each year due to poor visibility into collateral. Our solution solves this with a data-driven platform created through OEM and evaluator collaboration. As risk increases and fraud evolves, we're your competitive advantage. Leading indirect lenders already trust it – shouldn't you?

STAY AHEAD OF THE CURVE.

SOLUTIONS THAT HELP CREDIT UNIONS THRIVE!
